Remarks

Welcome to an exceptional residence in the highly sought-after community of Solstice at Wellen Park, where luxury, comfort, and thoughtful design come together seamlessly. As you enter through the grand double doors, you are welcomed into an impressive entry hall that immediately sets the tone for the elegance and detail carried throughout the home. This stunning residence offers 4 bedrooms, 3 full baths, and a half bath, along with a spacious 3-car garage, all curated with impeccable attention to detail. From the moment you step inside, you'll notice elevated 8-foot doors, coffered ceilings, and a refined interior featuring custom wood cabinetry, built-ins, designer wallpaper, and tailored finishes throughout. Designed for both everyday living and elevated entertaining, the home includes a built-in wall unit, in-home theater with surround sound, and a central vacuum system for modern convenience. Each of the four bedrooms features custom-designed closets, while all bathrooms showcase custom mirrors and high-end finishes. Custom blinds and window treatments complete the home with style and sophistication. Step outside to your private retreat-over 1,600 square feet of outdoor living space designed to impress. The heated, saltwater pool takes center stage with a fully
